LinkedIn: <https://www.linkedin.com/in/mannat-preet-kaur-090a1b398/>

GitHub: <https://github.com/phoneix2817-hue>

Email: [phoneix2817@gmail.com](mailto:phoneix2817@gmail.com)

Mobile: +91-9878486351

## SKILLS

- **Languages:** JavaScript, C, C++
- **Technologies:** HTML, CSS
- **Databases/Tools:** MySQL, Git, GitHub, Figma, PL/SQL
- **Soft Skills:** Problem solving, Team collaboration, Time management, Adaptability

## PROJECTS

### Student Grade Calculator

Jul 2026

- Engineered a console-based C++ application to compute total marks, percentages, and grades from subject-wise inputs.
- Automated grade evaluation through functions and conditional logic, mapping scores to predefined grading criteria.
- Integrated input validation and result-processing logic to handle user inputs accurately and generate clear, reliable outputs.
- Simplifies repetitive manual calculations and reduces errors when determining students' percentages and grades.

**Tech Stack:** C++, Functions, Conditional Statements

### Snake Game using Python

Mar 2026

- Built an interactive Snake game in Python with real-time keyboard controls and continuous gameplay.
- Programmed snake movement, collision detection, food generation, score tracking, and game-over conditions using core Python logic.
- Structured game behavior with loops and conditional statements to manage boundary detection, player movement, and gameplay even.
- Demonstrates how real-time user input, movement, collision handling, and changing game states can be managed within a Python application.

**Tech Stack:** Python, Game Logics, Loops, Conditional Statements

### Laser Security System

Nov 2025

- Developed a Arduino based Laser Security System.
- Applied PIR sensor, LDR, Arduino, Bluetooth, Buzzer and Arduino IDE.
- Deployed as a real model of the project..
- Used to detect any intrusion in a bank.
- **Tech Stack :** Arduino IDE ,C++

## CERTIFICATES

- C Programming Certification – Neo Colab LPU Jul 2026
- Big Data and Data Science – Infosys Feb 2026
- DBMS(Database Management System)– Saylor Academy Mar 2026
- Introduction To Python- Springboot Infosys Sep 2025

## ACHIEVEMENTS

- Solved more than **200** programming problems on online coding platforms during regular practice and learning.
- Played Shooting at District Level.

## EDUCATION

- **Lovely Professional University** Phagwara, Punjab  
• *Bachelor of Technology - Computer Science and Engineering; **CGPA: 8.33*** Aug 2025 - Present
- **Spring Valley Public, School** Barnala, Punjab  
• *Higher Secondary Education; **Percentage: 90*** May 2024 - Mar 2025
- **Sri Krishna VIBGYOR School** Ludhiana, Punjab  
• *Secondary Education; **Percentage: 85*** Jun 2022 - Mar 2023
